DETAILS

Would you like to organise an employee coaching or team building in the middle of nature? Do you want to relax and experience the surroundings with all your senses? Then Praxmar is the right place for you. **Turning nature into an office & training in the great outdoors.** Praxmar belongs to the mountain villages and is situated high above the Sellraintal, a small village. Surrounded by majestic mountains, dense forests and clear mountain streams, you will find our alpine guesthouse - a perfect starting point for various summer and winter activities.
