DETAILS

Impressive mountain scenery and charming city flair. The novum Innsbruck Mitte is centrally located in the district of Pradl and is easily accessible by public transport. The event and meeting center offers flexible spaces and architectural highlights. Here, polished raw concrete walls and warm birch wood panels are combined to create a cozy atmosphere.

The **large event hall** can accommodate up to 240 people and features **professional sound and lighting technology**. The suspended ceiling is another impressive highlight and is not only something for the eye, but also ensures **excellent acoustic room conditions**.

The space on offer is rounded off by the **three bright and friendly seminar rooms**. Flexible folding walls allow for several room combinations to implement a **wide variety of event settings**.
