CULTURE, ART AND CULINARY DELIGHTS

In October 2018, Haus der Musik opened its doors in Innsbruck. Since then, it has established itself as a cultural center where a wide variety of audiences come together. The modern building is located next to the Landestheater and on the opposite of the Emperor's Palace and Congress Innsbruck. The Hofgarten as well as the historic Old Town can be reached within a few walking minutes.

With **two concert halls, two theater stages, foyers and terraces**, Haus der Musik provides a wide range of spaces. Organize a lecture in the large hall or inspire your guests with a get-together on the roof terrace with a view of the magnificent Hofburg and the imposing Nordkette. Thanks to variable seating options, the rooms are also perfectly suited for receptions or exhibitions. The wide window front facing the Hofburg and the **unique acoustics** make the Great Hall unique. The innovative architecture of the building visually emphasizes the **interaction of art and culture**.

Afterwards, you can enjoy dinner in the cultural restaurant "das Brahms", which delights with outstanding Austrian cuisine in an urban-elegant ambience. The restaurant is located on the first floor of Haus der Musik and offers space for 80 people inside and 120 people outside. Sliding glass walls create a different ambience for each event.
