DETAILS

MEET GREEN AT NATTERER LAKE
The vacation paradise Natterer See is a special location for seminars, workshops, corporate events and nature-oriented meetings, just a few kilometers from Innsbruck. Whether a reception in the **panorama**

lounge, a workshop in the modern equipped **seminar room** or relaxed in the **forest party lounge** or the **lake restaurant**. Guests also appreciate the possibility of using the adjacent forest, the bathing lake and the green areas - extraordinary meetings in the midst of nature are perfectly possible here.

From authentic **camping**, to **luxurious floating homes**, to the **glamping experience** in the comfortable safari lodge tents with adventure character, a wide variety of accommodation options are available in Austria's first glamping park.
